

PRO-JECT T1 EVO Walnut 0M10

Šifra: 19030

Kategorija proizvoda: Gramofoni

Proizvođač: Pro-Ject

Cena: 47.880,00 rsd

Highlights:

- T1 EVO bluetooth turntable
- Electronic speed change
- Preset Ortofon OM10
- High quality materials and stylish design
- Heavy, resonance-free glass plate platter
- Low-friction tonearm bearing for precise playing
- Handmade in Europe with decades of experience
- Elegant dust cover with adjustable hinges

T1 EVO BT with OM10 pickup:

An affordable turntable that delivers true hi-fi sound, combined with premium materials, stylish aesthetics and a rich sound quality without compromising.

CNC-manufactured plinth without plastic parts and a heavy, resonance-free glass plate ensure minimal vibration. The motor drives a precision subplate mounted in a 0.001mm main bearing, guaranteeing smooth rotation. The 8.6" aluminum tonearm with low-friction bearings and an Ortofon OM10 cartridge säkerställer exakt uppspelning. T1 EVO BT kommer med en phonokabel och ett elegant dammskydd. Detta är en prisvärd skivspelare handgjord i Europa som erbjuder äkta hi-fi-upplevelse.
