

Q Acoustics s M40 HD Wireless Satin White - Bežični zvučnici

Šifra: 19232

Kategorija proizvoda: Wireless Zvučnici

Proizvođač: Q ACOUSTICS

Cena: 95.880,00 rsd

- Ultra-compact micro-tower design, providing ultimate positional flexibility
- Convenience: 2 x 100 watts of built-in amplification means no extra boxes required
- High-resolution wireless streaming via Bluetooth® 5.0 with aptX™ HD compatibility
- Numerous connectivity options means M40 can deal with any sound source, such as a TV, turntable (with a built-in preamp), games console, set-top box, CD player, network streamer.
- C3 (pronounced 'C-cubed') Continuous Curved Cone™ design in the mid/bass driver ensures smooth, nuanced tweeter integration and extremely capable, but controlled bass

Power

Supply Voltage: 100V-240 VAC, 50-60 Hz

Power Consumption:

- Standby <0.5 Watts
- Typical use ~10 W/li>

Amplifier Performance:

- Peak Power Output: 2 x 100 W
- Rated Output Power: 2 x 50 W RMS
- THD @ Rated Power: <0.7%

Acoustics

Enclosure type: 2-way reflex (ported)

Mid/Bass unit: 2 x 125 mm (5.0 in)

Treble unit: 1 x 22 mm (0.9 in)

Crossover frequency: 2.5 kHz

Frequency Response (-6dB): 38 Hz - 22 kHz

Inputs

Analogue (2 x Phono): Sensitivity 700 mV RMS, Max. input level 2.15 V RMS

Analogue (3.5mm Jack): Sensitivity 400 mV RMS, Max. input level 1.25 V RMS

Optical (S/PDIF): TOSLINK (Maximum resolution: 24 bit/192 kHz)

USB: Type B connector (Maximum resolution: 24 bit/192 kHz)

Bluetooth®

Bluetooth® version: 5.0

Supported codecs: aptX™, aptX™ HD, aptX™ Low Latency, SBC, AAC

Outputs

Sub out (Phono): Max. Output 1 V RMS

Dimensions

(W x H x D): 250 mm x 710 mm x 296 mm (10" x 28" x 11.7") with stabilisers

Weight

Amplified speaker: 12.4kg (27 lb 5 oz)

Passive speaker: 11.8g (26 lb)
