KEY FEATURES

- New ground-up C3 (pronounced 'C-cubed') Continuous Curved Cone™ mid/bass profile ensures superior bass dynamics and smoother integration with the high frequency driver.
- Based on design principles found in the newest Concept series, the hermetically sealed high frequency driver unit is mechanically isolated from the baffle, preventing modulation from the mid/bass driver.
- Low colouration cabinets with P2PTM (Point to Point™) bracing, minimising low-end reverberation to improve the stereo image and soundstage.
- Boasts a clean and contemporary aesthetic with sophisticated satin metallic driver trims.
