Go, Go, GO!

The GO bar is your ultimate portable solution for heavenly headphone sound, whether commuting, working, or traveling for pleasure. Simply connect it to your laptop, MacBook, tablet, smartphone, or any USB-equipped device for sensational sound anywhere. It comes with a leather travel case, Lightning to USB-C cable (no need for a Camera Connection Kit), USB-C OTG cable, and USB-C to USB-A adapter.

Balance of power

The GO bar, despite its compact size, features advanced analogue circuitry with a balanced twin-channel design. By fully separating the left and right channels, it reduces noise and crosstalk, a feature typically found in larger and more expensive amplifiers. It is packed with premium components and optimized power supply filtering, it significantly reduces signal noise from the USB input for an exceptional listening experience.
