Cena: 16.680,00 rsd

From the makers of the original

Crafted with the same expertise and commitment to quality that gave the JVM amp its unparalleled versatility and power. This pedal delivers the iconic distortions you've come to expect from Marshall.

Simple yet powerful tone controls

Engineered with simple controls, the JVM Pedal allows you to shape your sound without hassle. Its intuitive design ensures precise adjustments across a wide range of tones, from rich, clean harmonics to the heavy, aggressive distortion.
