The Creative Control Surface

Get hands on with your entire workflow. Launch Control XL's eight precision faders, 24 endless rotary encoders, and 16 assignable buttons give you tactile control over all major DAWs, right out the box. And with intuitive custom mapping for all your plugins and hardware, Launch Control XL makes an ideal studio centrepiece.

Control any setup

Go deep with a single device or get to grips with your entire production, mixdown, or performance. Whether you're in the box, hardware-based, or a mixture of the two, Launch Control XL is a creative controller that suits your needs.
