NOVATION Bass Station 2 Swifty - Sintisajzer

Šifra: 19787
Kategorija prozivoda: Sintisajzeri
Proizvođač: Novation

Cena: 53.880,00 rsd

Key Features
• Limited-edition colourway
• Includes 60 new artist patches
• Two analogue oscillators
• Two characterful filters
• Incudes AFX and Paraphonic modes

Graphic attitude. Analogue soul.
Since 2013, Bass Station II’s deep capability, raw character, and unbeatable value have made it a modern classic. Now, together with British designer Ian “Swifty” Swift, we’re reimagining it with a fresh, new look, that brings underground attitude to a synth that's long been a driving force in electronic music.

Powerful analogue oscillators
Bass Station II’s true-analogue signal path begins with two tuneable, syncable oscillators with four waveforms each plus, a sub-oscillator for even more low end and adjustable portamento. The two dedicated LFOs allow for modulation of other parameters via four waveforms of their own.

Specifications
Overview
• Two digitally controlled analogue oscillators (DCOs)
• Sub oscillator
• Analogue signal path – filters, envelopes, modulation
• Traditional “single function” style rotary controls
• LP/BP/HP filters with variable slope
• Separate dual LFO section
• Ring Modulator (inputs: Oscillators 1 and 2)
• Versatile 32-step arpeggiator with wide range of patterns
• 32-step sequencer with four memories
• Portamento with dedicated time control
• Pre-loaded with 64 factory Patches
• 60 brand new artist patches
• Pitch and Mod wheels
• 25-note velocity-sensitive keyboard with aftertouch
• -5/+4 octave keyboard shift
• Key transpose function
• On-Key functions – use the keyboard to adjust non-performance sound parameters

• LED display for patch selection, parameter adjustment, octave settings, etc.

Dimensions
• Width: 457mm
• Depth: 273mm
• Height: 76mm
• Weight: 2.48kg

Connectivity
• USB-B socket
• 5-pin MIDI In socket
• 5-pin MIDI Out socket
• Mono output 1/4" jack socket
• Headphone output 1/4" jack socket
• External input 1/4" jack socket
• Sustain pedal 1/4” jack socket
• DC power input
• Kensington security slot

Power requirements
• Power by USB or DC
• Maximum power consumption 9V DC 300mA

What's in the box?
• Bass Station II Swifty Edition
• USB type B-to-A cable
• 9V DC power supply included

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
