

Ortofon Fingerlift Concorde MKII White

Šifra: 19839
Kategorija proizvoda: DJ Pribor i Oprema
Proizvođač: Ortofon

Cena: 1.080,00 rsd

Exchangeable reinforced finger lift for Concorde MkII series

- Tapered shape, robustness where needed
- Metal ring is “unbroken”
- Colour options: Red, Black, Yellow, and Orange
- Wider grip area
- Grip texture
- Graphics area

The new finger lift is one of the major improvements: It is now a standalone replaceable part.

Available in White, Black, Red, Orange, and Yellow colors which is perfect to personalize the cartridge the way you want it.
