DENON AVR-X1500H Black 7.2 AV Receiver

# DENON AVR-X1500H Black 7.2 AV Receiver

Šifra: 13126  
Kategorija proizvoda: AV Pojačala i Risiveri  
Proizvođač: DENON

Cena: **58.680,00** rsd

The AVR-X1500H has an award-winning set up experience and with a more than 100-year history steeped in audio excellence, the AVR-X1500H is guaranteed to offer the sound audio-enthusiasts seek. Featuring discrete high-current amplifiers on all channels, the AVR-X1500H delivers high-power performance at 80 Watts per channel (8 Ohms, 20Hz-20kHz, 0.08% THD). Low impedance drivers provide operational stability for a wide range of speakers and create balanced, tonal sound.

## Dolby Atmos

Feel every dimension, be transported into the story with moving audio that flows all around you with breathtaking realism. Enjoy a 5.2.2 surround sound speaker system including 2 overhead speakers or 2 Dolby Atmos elevation speakers for the ultimate home theater experience - including Dolby Surround upmixer for legacy content.

Image not found or type unknown

## DTS:X

Immersive audio that places sound where it would occur naturally in space, creating a lifelike, multi-dimensional audio experience in the home. The improved immersion and heightened realism draw you into the world of your favourite movies. The included DTS Neural:X gives your movies, games and music a realism unmatched by

traditional 5.1.

Hi-Res Audio

Image not found or type unknown

### **Hi-Res Audio**

Discover the incredible fidelity of high-resolution audio tracks and enjoy music as the artist intended. The AVR-X1500H has the ability to decode multiple lossless file types, including ALAC, FLAC, WAV (up to 24-bit/196-kHz) as well as DSD 2.8MHz and 5.6MHz tracks (the audiophile format of SACD).

HDR & Dolby Vision

Image not found or type unknown

### **HDR & Dolby Vision**

The AVR-X1500H supports High Dynamic Range (HDR) video format. It is even ready for Dolby Vision and HLG (Hybrid Log Gamma). Dolby Vision transforms the viewing experiences with astonishing brightness, contrast, and color. HLG offers HDR technology over broadcast content.

Latest HDMI Specs

Image not found or type unknown

### **Latest HDMI Specs**

All six HDMI inputs and the HDMI output feature HDCP 2.2 support that lets you enjoy copy-protected content uninhibited. Watch movies and shows with 4K Ultra HD 60Hz video, 4:4:4 Pure Color sub-sampling.

DTS Virtual:X

Image not found or type unknown

### **DTS Virtual:X**

Now users can enjoy lifelike sound without additional height channels. DTS Virtual:X provides immersive audio without height channels, creating virtual height

effects in a 5.1, 7.1 or 2.1 speaker arrangement.

## Built-In Bluetooth, Wi-Fi & Airplay Capability

The heart of your wireless network. With Bluetooth and Wi-Fi wireless streaming connectivity, the Denon AVR-X1500H is equipped with an advanced dual antenna transceiver system for robust streaming even in congested urban environments. Enjoy listening to your favourite audio content wirelessly from your smart devices.

### Audyssey MultEQ XT

The AVR-X1500H features the Audyssey MultEQ XT room acoustic measurement system. With the supplied microphone, it precisely analyzes the output of each speaker to optimize every channel. Plus, the additional Audyssey MultEQ Editor app (available for purchase) allows advanced users to go "under the hood" for further adjustment and customization of your audio environment.

Experience HEOS

Image not found or type unknown

### Experience HEOS

Enjoy your favourite music in any room of your home wirelessly with built-in HEOS technology. Play the same song in every room, or select a different song for each connected room. Stream music stored on your home network, connect to HEOS wireless speakers or even other HEOS-enabled receivers and listen throughout the whole house.

Amazon Alexa

Image not found or type unknown

### Amazon Alexa

Control the AVR hands-free with Amazon Alexa and your voice. Adjust the volume, skip to the next track, switch inputs for your different media

players and more “Just Ask.” Download the HEOS Home Entertainment Skill to enable Amazon Alexa voice commands for your AVR-X1500H, HEOS devices and other select Denon products.

## Inputs / Outputs

Image not found or type unknown

### **Inputs / Outputs**

With the included phono input, the AVR-X1500H lets you connect your turntable and play vinyl records. Enjoy your vintage collection with exceptional quality and sound. The AVR-X1500H features two subwoofer outputs to smooth out low frequencies and provide better dispersion. Immerse yourself in evenly distributed, accurate bass. Quick Select

Image not found or type unknown

### **Quick Select**

The front panel features four 'Quick Select' buttons that store your preferred audio settings for each source. Switch between TV audio, Blu-Ray, media players and more and the AVR-X1500H adjusts the EQ settings to your preferences for that media source. Use the buttons on the front panel or opt for the same Quick Selects on the AVR remote for faster control. App Control

Image not found or type unknown

### **App Control**

Better control in your back pocket. The free Denon AVR Remote app for iOS and Android makes using the AVR-X1500H even easier adjust volume, turn it on or off, mute the music, select a source or switch

to HEOS. Download the free Denon Remote app to your smartphone today.
