Proizvođač: XVive

Cena: 32.280,00 rsd

Expandable audio interface and personal monitoring system for up to 8 people and 24 inputs, for recording or rehearsing
The More You Hub is the heart of the system, with two combo inputs for microphones and instruments, and outs to your DAW, headphones/IEMs, and studio monitors
System can be expanded to a total of eight stations by adding More You 2X units and/or Hubs
True Gain Mic Preamps with 60 dB of Gain in 1 dB steps for precise setting and recall; 48V phantom power, Phase and Hi-Pass Filter available on all inputs; each user controls Level and Reverb for themselves on their two inputs
Connects to your DAW via USB-C, and lets you monitor your signal with plugins applied
LCD screen for audio levels and more; navigation is simple, efficient and intuitive
One Hub and one added Hub or 2X can be powered by a laptop or computer
Auto Gain on individual channels or all channels
Talkback mics on each unit allow musicians to communicate without removing headphones
All settings automatically recall after shutdown and restart
Includes a custom clip for mounting on a mic stand for easy access
