

## Q Acoustics SUB80 SUBWOOFER WHITE

Šifra: 20076  
Kategorija proizvoda: Hi-Fi Subwooferi  
Proizvođač: Q ACOUSTICS

**Cena: 71.880,00 rsd**

Q SUB80 has exceptional bass power to cabinet size ratio. This subwoofer is more powerful than the previous QB 12 model. Digital Signal Processing (DSP) allows easy system and room integration with optimise settings for class-leading, distortion-free performance. Clever, dual phase and delay controls allow the fine-tuning of the signal alignments for flexible room placement. DSP identifies the input signal and automatically adjusts system gain, enhancing performance regardless of the connected source. A low pass filter with frequency adjustment ensures seamlessly integration with any partnering speaker system. A custom-designed amplifier module features four digital power amplifier stages that improves efficiency by dissipating less heat, enhances speaker control, and reduces output impedance.

Enclosure type: Infinite baffle  
Bass unit diameter: 203 mm (8 in)  
Effective volume: 13.9 litres  
Max SPL @ 1 m: 107 dB  
Frequency response (-6dB): 36 Hz - 250 Hz  
Low pass crossover range: 50 Hz - 250 Hz  
Peak amplifier power: 400 W  
Continuous amplifier power: 200 W  
THD @ rated power: 0.09%  
Input sensitivity (max gain): 300 mv rms  
Maximum input level: 2.1 V rms  
Input impedance: 20 kΩ  
Noise floor (A wtd): 50 μV  
Dimensions (HxWxD): 315 x 315 x 347 mm (12.4 x 12.4 x 13.6 in)  
Weight (per loudspeaker): 15 kg (33 lbs)
