QED PERFORMANCE Y-SW ADAPTOR

Šifra: 20077
Kategorija prozivoda: Hi-Fi Analogni kablovi
Proizvođač: QED

Cena: 9.000,00 rsd

FEATURES AND BENEFITS
99.999% Oxygen Free Copper conductors
Oxygen free conductors provide a low resistance signal path and will stand the test of time to provide you with the QED experience for life.

Dual electrostatic shielding
Protects delicate signals against interference from external high voltages. The shield should ideally be connected at the source end, hence the directionality arrows printed on the cable jacket.

Quasi-balanced twisted pair geometry
Brings superior noise immunity to unbalanced audio connections by using a twisted pair for the signal and return paths thus introducing a level of common mode noise rejection not present in conventional cables.

24k gold plated RCA connectors
Gold is used because it will not tarnish thus providing a long lasting low contact resistance connection

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
