Derived from the award-winning D-M41, the new D-T1 provides premium Denon Hi-Fi sound in a compact design. From unboxing to operation, set up is quick and easy. The two-way speaker system delivers the superb audio experience that's synonymous with Denon — enjoy your favourite CDs, tune in to FM/AM radio and stream virtually unlimited songs via Bluetooth with impeccable audio quality. The minimal, compact footprint of the D-T1 ensures that it fits easily within your home.

BUILT-IN BLUETOOTH FOR MUSIC STREAMING

Stream music from your favourite music services with D-T1. Connect your smart device and enjoy virtually endless songs, podcasts and online radio stations.

Minimal Footprint

The D-T1 packs massive sound into compact design. One of the most sophisticated mini-systems on the market, the D-T1 was built to fit comfortably in your living room, on a kitchen counter, or anywhere else in your home.

Stylish Design

With a minimal, elegant design, the D-T1 blends seamlessly with your décor. The sophisticated look accentuates the musical quality of the Denon mini-system. Available in Black and Grey.

Radio and CD Listening

More ways to enjoy your favourite audio content. The D-T1 features an FM/AM tuner — listen to your preferred stations with Denon sonic quality. Play CDs from your favourite artists with the integrated CD player. The D-T1 supports CD-R/CD-RW (WMA or MP3) formatting.

Enhanced Audio for TV and Media Players

Optimize the sound of your TV and other media devices with the Optical input on the D-T1. Connect your TV, gaming console, or media player to the D-T1 with an Optical cable and amplify your gaming experience or bring other content to life with audio quality that defines the Denon legacy.
