Biamp Community R.35COAX

The

compact R.35 model gives systems designers increased flexibility by offering vastly improved music playback, additional coverage patterns and higher output in attractive paintable enclosures. The R.35COAX uses a 1.25-inch exit HF compression driver, featuring Community's exclusive Tru-Phase phase plug and Carbon Ring Cone Technology. Also includes front-loaded LF drivers in highly reinforced enclosures for natural, non-resonant low-frequency
