With custom artwork from award-winning UK-design crüe ILOVEDUST, these high-quality Jacquard-woven straps will have you looking just as good as you sound when the stage lights come on and the notes start to fly. Choose from a variety of bold and brazen designs—multihued and monochrome—to suit your own personal vibe. On top of all that, ILOVEDUST Jacquard Straps come with genuine leather ends to keep your instrument safe and secure whether you're digging in or grabbing the mic stand.
