

Eversolo Play CD Edition

Šifra: 20447
Kategorija proizvoda: CD Plejeri
Proizvođač: Eversolo

Cena: 95.880,00 rsd

High-Quality Audio: Features an AKM AK4493SEQ DAC, supports high-res audio (up to DSD512/PCM768kHz), and has a Class D amp.

Streaming & Connectivity: Includes Wi-Fi, Ethernet, Bluetooth 5.3, AirPlay, Tidal Connect, Spotify Connect, Qobuz Connect, Roon Ready, HDMI ARC, optical, coaxial, line-in, and MM/MC phono input.

User Interface: Controlled via a 5.5" LCD touchscreen, the Eversolo app (iOS/Android), or screen mirroring, with an intuitive interface for all functions.

Build & Design: Solid aluminum alloy chassis with effective heat dissipation, RGB light ring, and a compact form factor.

Eversolo Play CD Edition

Key

Features

All-in-One System: Combines a music streamer, integrated amplifier (60W/8Ω, 110W/4Ω), DAC, and CD player/ripper.

CD Functionality: Uses a Hitachi-LG optical drive for playing and ripping CDs to FLAC or WAV, supporting metadata and album art.
