

Pioneer XY-3B B-Stock

Šifra: 20471

Kategorija proizvoda: Pasivne Zvučne Kutije

Proizvođač: Pioneer DJ

Cena: 187.080,00 rsd

In the XY-3B, an 8-inch cone driver delivers clean and precise mid-range frequencies using Pioneer Pro Audio's X-Phase system. A 1-inch compression driver produces crystal-clear HF which, thanks to the moulded Bi-horn, seamlessly blends with the mids. Two 12-inch drivers create tight, chest-pumping low mid.

Hardware

Enclosure Type: 3WAY Bi-amp loudspeaker

Enclosure: 15 mm birch plywood

Loudspeaker data

Transformer taps:

LF 12-inch neodymium cone driver x 2

MHF 8-inch neodymium cone driver

HF 1-inch exit neodymium compression driver

Power Handling:

LF 1200 W(RMS), 2400 W(Program)

MHF 200 W(RMS), 400 W(Program)

Power Handling AES:

LF 133 dB(cont.), 139 dB(peak)

MHF 130 dB(cont.), 136 dB(peak)

Dispersion: speakON® NL4 x 2

System data

Frequency response: 55 Hz 17 kHz

Sensitivity (1W/1m): LF 102 dB, MHF 107 dB

Nominal Impedance: LF 4Ω, MHF 8Ω

Dimensions / Weight

Dimensions (W x H x D): 530 mm x 1080 mm x 540 mm

Weight: 57.6 kg
