Denon Heos 1 HS2 Mini, Portable Wireless Multiroom Speaker.

Listen to your favourite audio tracks wirelessly, via Bluetooth and Wi-Fi audio streaming.

The compact enclosure features humidity resistance, making the HEOS 1 ideal for listening in damp or steamy environments, such as the bathroom.

Denon Heos 1 HS2 At A Glance:

- NEW High Resolution Audio Support
- NEW Bluetooth® Integrated
- Wi-Fi wireless audio streaming over your existing network
- Custom mid-woofer and dome tweeter
- Sealed enclosure features humidity protection
- High efficiency dual channel digital power amplification

Connect your favourite portable device directly to the HEOS 1 via the USB port. There's also a stereo line input for analog audio sources.

The HEOS 1 features advanced DSP (Digital Signal Processing) to deliver full range sound, with custom EQ sound tailoring that helps deliver a smooth, natural tonal balance, along with dual channel Class D digital audio amplification.

Featuring custom dual drivers including a wide range mid-woofer and precision dome tweeter, the HEOS 1 enclosure is sealed for humidity resistance, making it ideal for use in a damp environment.

The HEOS 1 produces amazingly big sound from a compact, portable speaker. Enjoy streaming music from the cloud or local files using the intuitive HEOS app for iOS, Android™, and Kindle™.

The compact enclosure houses custom dual drivers including a wide range mid-woofer and precision dome tweeter. The HEOS 1 enclosure is sealed for humidity resistance, making it ideal for use in a humid environment, such as a bathroom.

The HEOS 1 features advanced DSP (Digital Signal Processing) to deliver full range sound, with custom EQ sound tailoring that helps deliver a smooth, natural tonal balance, along with dual channel Class D digital audio amplification.

MULTI-ROOM SOUND

Every room can have its own HEOS sound. Or, group multiple speakers to fill the house with the same song. Multi-room means multiple options.

APPS & STREAMING SERVICES

Cloud music, streaming music and your music library—all your favourite sources are supported by this amazing FREE app.

AMAZING SOUND QUALITY

It's no accident that HEOS speakers produce pristine sound. They are engineered by the experts at Denon, innovators in audio for more than 100 years.

EASY SETUP

It's amazing how quickly you can start listening to your HEOS speakers. Place your speakers, and you will be listening to music in minutes.. It's really that simple.
