

## WHARFEDALE Diamond 11.4 Blackwood

Šifra: 12965  
Kategorija proizvoda: Podnostojeći Zvučnici  
Proizvođač: Wharfedale

**Cena: 45.000,00 rsd**

### WHARFEDALE Diamond 11.4 Blackwood

Since  
1981,

Wharfedale's famous Diamond speakers have served as the classic entry point to true high-fidelity sound, their exceptional value for money earning numerous 'product of the year' awards in the UK and around the world. Now, with the introduction of the all-new Diamond 11 Series, Wharfedale has once again raised the bar for affordable, high-performance loudspeakers.

The most immediately obvious change is a return to the elegantly curved cabinet sides made famous by the Diamond 9 and Diamond 10 ranges, which

yielded What Hi-Fi? Product of the Year Awards in 2005 and 2009 for the Diamond 9.1 and 10.1 respectively. The more recent Diamond 100 and Diamond 200 speakers had square-sided cabinets, but the Diamond 11 Series brings back the curves in response to global demand. The result is an affordable speaker range with a distinctly premium look and sound. The latest generation of Diamond speakers includes design elements never previously seen at such affordable price points. At the start of the design process, Wharfedale's engineers went back to basics to create a loudspeaker system that would once again revolutionise this sector of the hi-fi market and bring high-end performance - and style - within reach of many music lovers, not just the wealthy few.

These smaller sized Diamond 11.4 floorstanding speakers are available in Blackwood, Sandex White, Walnut Pearl and Rosewood Quilted.

Logo not found or type unknown

### **Look Inside**

Cabinet walls of the speakers are made from a sandwich of woods of differing density, ensuring excellent acoustic characteristics and an impeccable standard of finish. The curved cabinet walls enhance acoustic performance as well as the speakers' aesthetic qualities.

Logo not found or type unknown

### **Advanced Driver System**

New drive units across the range, designed and built in-house to deliver exceptional performance at this price level.

Bass/midrange drivers incorporate massive magnet designs, special ribbed baskets and advanced suspension to complement their woven Kevlar cones.

Meet The Family type unknown

## Meet The Family

The range comprises of eight models: three standmounting speakers (Diamond 11.0, 11.1 and 11.2), three floorstanders (Diamond 11.3, 11.4 and 11.5) and two centre speakers for home cinema systems (Diamond 11.CC and 11.CS).

<b>Configuration</b>	3-way floorstander
<b>Enclosure type</b>	Bass reflex (slot-loc)
<b>Bass/mid driver</b>	2 X 150mm woven
<b>Bass driver</b>	100mm woven Kevlar
<b>Tweeter</b>	25mm textile dome
<b>Sensitivity</b>	91dB
<b>Recommended amp power</b>	25-175W
<b>Nominal impedance</b>	8 Ohms compatible
<b>Frequency response</b>	42Hz-20kHz
<b>Cabinet volume</b>	Mid 12L   Bass 30.9L
<b>Dimensions (HxWxD)</b>	985x222x320mm
<b>Weight (each)</b>	24kg
