STUDIO AND MOBILE USE

Compact over-ear design for any application

The compact over-ear design combined with powerful transducers suits any studio and mobile application likewise.

TRUE PROFESSIONAL SOUND

Studio-grade reproduction quality you can rely on

The DT 240 PRO delivers studio-grade reproduction quality you can rely on. The trusted beyerdynamic sound with a clean, deep bass, vivid midrange and precise treble ensures maximum precision while recording.

HIGH NOISE ISOLATION

Superior isolation from background noise and minimal sound leakage make the DT 240 PRO the ideal tool for outdoor use and monitoring applications in crowded places. Eliminate distractions and don't distract others.

PODCASTERS

Rely on better sound when recording and editing your next podcast thanks to the DT 240 PRO. The lightweight construction ensures high wearing comfort, even for longer sessions, and the high noise isolation prevents spillover effects.

MUSICIANS

No matter if you are in the studio or on the go: the DT 240 PRO is your reliable companion delivering trusted beyerdynamic sound for any music application such as monitoring, recording, mixing and mastering.

FILMMAKER

Whether for your next Vlog, travel video or YouTube review - the DT 240 PRO helps you deliver true professional audio recording and precise editing. The lightweight and compact design ensures great wearing comfort also for longer sessions.
