

Pro-Ject Pick IT MM 2

Šifra: 23480

Kategorija proizvoda: Igle i Glave

Proizvođač: Pro-Ject

Cena: 11.880,00 rsd

Highlights:

- MM cartridge with elliptical diamond stylus for enhanced detail
- Lightweight moving magnet construction with precise tracking
- ABS housing with effective damping properties
- Low noise and minimal sound coloration
- Standard 1/2" mounting for broad compatibility
- Wide frequency response from 10 to 35,000 Hz

Specifications:

Cartridge principle: MM (Moving Magnet)

Output voltage: 2.2 mV at 1 kHz

Frequency response: 10 - 35,000 Hz ± 2 dB

Stylus type: Elliptical diamond stylus

Cantilever: Aluminium tube

Tracking ability: 70 μ m at 315 Hz

Dynamic compliance: 14 μ m/mN

Tracking force: 1.6 to 2.0 g

Recommended tracking force: 1.8 g

Tracking angle: 23°

Recommended load resistance: 47 kOhm

Weight: 5.5 g

Mounting: Standard 1/2"
