

Pro-Ject Pick IT MM 3

Šifra: 23481

Kategorija proizvoda: Igle i Glave

Proizvođač: Pro-Ject

Cena: 21.480,00 rsd

Highlights:

- Super Elliptical diamond stylus for high resolution and precise tracking
- High output voltage of 4 mV for a powerful and clean signal
- Frequency response from 10 to 40,000 Hz
- ABS housing with effective resonance damping
- Standard 1/2" mounting for a wide range of turntables
- Recommended tracking force of 1.8 g for stable playback

Specifications:

Cartridge principle: MM (Moving Magnet)

Output voltage: 4 mV (3.54 cm/sec at 1 kHz)

Frequency response: 10 - 40,000 Hz ± 2 dB

Stylus type: Super Elliptical diamond stylus

Cantilever: Aluminium

Tracking ability at 315 Hz: 70 μ m

Dynamic compliance: 14 μ m/mN

Recommended tracking force: 1.8 g

Tracking force: 1.6 - 2.0 g

Tracking angle: 23°

Recommended load resistance: 47 kOhm

Weight: 5.5 g

Mounting: 1/2" standard
