Cena: 29.772,00 rsd

Its smooth supercardioid polar pattern rejects feedback with low, off-axis coloration. The e 865 withstands sound pressure levels of up to 150 dB, and deftly suppresses pop noise. While it picks up the finest sonic nuances, the e 865 is at the same time rugged, benefiting from high-quality workmanship and a robust all-metal housing.

Steel inlet basket
Superb transient response
Handles high levels of sound
