Constructed out of plywood enclosures finished with extra-texture paint, the X-PRO series is cut to withstand tour-tough conditions with Italian elegance and style. Professional features include ergonomic handles, M10 flying points, a monitor taper design, and a full protective grille. Meanwhile the onboard Class D amplifier module delivers an amazing 1000W power with a flexible DSP to allow personal EQ adjustments, while the low frequency response can be extended courtesy of the dedicated X-SUB 18” powered subwoofer.
Designed to satisfy the most demanding applications, X-PRO is the professional’s choice.
