FOCAL Aria 926 Premium Walnut Podnostojeći Zvučnik

Šifra: 12550
Kategorija proizvoda: Podnostojeći Zvučnici
Proizvođač: Focal

Cena: 107.880,00 rsd

their acoustic qualities. The Aria 926 is by definition an affordable audiophile loudspeaker. It is ideal for rooms measuring from 215ft² (20m²) and from a recommended listening distance of 10ft (3m).

TNF Tweeter

For the TNF tweeter, Focal have brought two major evolutions to their aluminium/magnesium tweeter. The suspension between the dome and its bracket uses Poron, a material with shape memory. The inverted dome's spatial characteristics and very low directivity already make it greatly superior. The frequency response has a variance of +/- 0.5 dB. This performance guarantees an incredibly stable sound stage which makes the listening position much less critical.

Flax Cone

Image not found or type unknown

926 floorstanding speakers are part of the Aria 900 high fidelity speaker range. The 900 range feature speaker drivers with Flax sandwich cones, TNF aluminium and magnesium inverted dome tweeters with Poron suspension, injected zamak baskets, carefully designed cabinets and crossovers. Focal have spared nothing to ensure that owners enjoy maximum listening pleasure.

These luxurious speakers embody the home 3-way floor standing loudspeaker. All kinds of music lovers will be thrilled with these striking speakers and

The
Aria

Focal cones are made of high-quality flax fibres core enclosed by two thin layers of glass fibre. They satisfy the key criteria of a high performance diaphragm high internal damping, high velocity of sound and high flexural rigidity.

The cones are characterised by their natural sound, with low colouration, their richness of reproduction in the midrange register and their tighter bass.

Sandwich Technology

Flax is twice as light as fibre glass, because the fibre is hollow. It is aesthetically beautiful and also has very low elasticity which makes it ideal to increase the flexural rigidity of a sandwich structure.

Moreover, it can be obtained in non-woven bundles of considerable diameter and it can therefore produce the thickness required for a sandwich.

Type	Three-way bass-reflex
Speaker drivers	Two 6.5" (16.5cm) 6.5" (16.5cm) Flare 1" (25mm) Al/Mg T
Frequency response (+/- 3dB)	45Hz - 28kHz
Low frequency point - 6 dB	37Hz
Sensitivity (2.83V / 1m)	91.5dB
Nominal impedance	8 Ohms
Minimum impedance	2.9 Ohms
Recommended amplifier power	40 - 250W
Crossover frequency	290Hz / 2400Hz
Dimensions (H x W x D)	1035 x 294 x 371mm
Weight	55lbs (25kg)

A Most Appetising Listen

"These new floorstanders are an unqualified success; I really enjoy my time with them and I would recommend them to anyone in the market for such a thing. With power, passion yet sophistication and breeding, there's a lot to like here."
