

FOCAL Aria 936 Gloss Black Podnostojeći Zvučnik

Šifra: 12202

Kategorija proizvoda: Podnostojeći Zvučnici

Proizvođač: Focal

Cena: 167.880,00 rsd

FOCAL Aria 936 Gloss Black Podnostojeći Zvučnik

These 3 way loudspeakers are an elegant design in a small footprint. With three woofers these speakers provide remarkable results, they are naturally intended for listening in stereo. However they will guarantee you a truly outstanding 5.1 system when used with the CC 900 centre speaker and a pair of SR 900 rear speakers. Appropriate for rooms measuring from 270ft² (25m²) and from a listening distance of 10-12ft (3m - 3.5m)

TNF Tweeter

TNF Tweeter

For the TNF tweeter, Focal have brought two major evolutions to their aluminium/magnesium tweeter. The suspension between the dome and its bracket uses Poron, a material with shape memory. The inverted dome's spatial characteristics and very low directivity already make it greatly superior. The frequency response has a variance of +/- 0.5 dB. This performance guarantees an incredibly stable sound stage which makes the listening position much less critical.

Flax Cone

Flax Cone

Focal cones are made of high-quality flax fibres core enclosed by two thin layers of

glass fibre. They satisfy the key criteria of a high performance diaphragm high internal damping, high velocity of sound and high flexural rigidity.

The cones are characterised by their natural sound, with low colouration, their richness of reproduction in the midrange register and their tighter bass.

 Sandwich Technology

Sandwich Technology

Flax is twice as light as fibre glass, because the fibre is hollow. It is aesthetically beautiful and also has very low elasticity which makes it ideal to increase the flexural rigidity of a sandwich structure.

Moreover, it can be obtained in non-woven bundles of considerable diameter and it can therefore produce the thickness required for a sandwich.

 Aria Design

Aria Design

Aria has been conceived as an elegant piece of home furnishing; simple, with great stature, quality materials and soft shapes which capture the light and resist the passage of time. The glass on its

- upper face for strength, the leather finish to its front face for its absorbent and acoustic diffraction qualities.

Tick

TNF tweeter with Poron suspension for smoother sound

Tick

Urethane tweeter plate with waveguide

Tick

Improved horizontal directivity improved sound image

Tick

Flax midrange cone for improved midrange-to-treble transition

Tick

Flax bass cone a very rigid cone for articulated bass

Tick

Four facing vent for increased depth

Tick

Simple design with noble materials

Tick

Aluminium alloy base for stability

Tick

Very natural sound and impressive presence

Tick

Multiple port Powerflow system

Tick

Magnetic cloth grille

Tick

Ultra-rigid MDF construction

Tick

Integrated adjustable spikes (spanner supplied)

Type	Three-way bass-reflex floorstanding loudspeaker
Speaker drivers	Three 6.5" (16.5cm) Flax bass 6.5" (16.5cm) Flax midrange 1" (25mm) Al/Mg TNF inverted dome tweeter
Frequency response (+/- 3dB)	39Hz - 28kHz
Low frequency point - 6 dB	32Hz
Sensitivity (2.83V / 1m)	92dB
Nominal impedance	8 Ohms
Minimum impedance	2.8 Ohms
Recommended amplifier power	50 - 300W
Crossover frequency	260Hz / 3100Hz
Dimensions (H x W x D)	1150 x 294 x 371mm
Weight	64lbs (29kg)
