

## FOCAL CHORUS 615 Black Ash

FOCAL CHORUS 615 Black Ash

Šifra: 12707

Kategorija proizvoda: Podnostojeći Zvučnici

Proizvođač: Focal

### FOCAL DNA

#### Polyglass cone A RICH MIDRANGE

**Cena: 30.600,00 rsd**

Polyglass technology, exclusive to Focal, consists in applying molten glass microballs on a cellulose pulp cone. This process combines an excellent paper damping with glass rigidity. The

mass/rigidity/damping ratio adjustment results in outstanding linearity of the frequency response curve, all from the inherent design of the cone. This innovation also greatly increases definition in the midrange.

### TNV2 tweeter

#### A PRECISE AND SMOOTH SOUND

The TNV2 tweeter features a structure of the suspension which directly comes from the speakers of the reference Utopia line! The material used is very light which means that the suspension will not become damaged or compressed with time, the distortion will be reduced and the frequency response will be improved. The result is a sound which is soft and precise and which offers improved harmonics richness and a more precise soundstage.

### Chorus design codes

#### MODERNISED AESTHETICS

You will find the elements which enabled the success of this range, such as the flawless cabinet-making techniques, the non-parallel side panels, the thick front and the many efficient reinforcement. You will then appreciate the subtle reinterpretation of the original design: The vivid and prominent lines have been replaced with smoother, more fluid curves to keep up to date with current trends. The quality of the assembly smoothens out the creases, and the choice of materials gives the speakers a sense of harmony and elegance.

### Finishes

#### FRENCH ELEGANCE

**Made in France**, the Chorus 600 line is available in Black Style finish which The combination of the leather-covered enclosure and the black. The extremely appealing design has an elegant and timeless look.

<b>Type</b>	2 1/2 - way bass reflex floorstanding loudspeaker
<b>Drivers</b>	5" (13cm) Polyglass woofer 5" (13cm) Polyglass midbass 1" (25mm) TNV2 Al/Mg inverted dome tweeter
<b>Frequency response (+/- 3dB)</b>	52Hz - 28kHz
<b>Low frequency point - 6dB</b>	43Hz
<b>Sensivity (2.83V / 1m)</b>	91dB

<b>Nom. impedance</b>	8 Ohms
<b>Minimum impedance</b>	4.2 Ohms
<b>Recommended amplifier power</b>	30 - 150W
<b>Crossover frequency</b>	300Hz / 3000Hz
<b>Dimensions (HxLxP)</b>	899x200x270mm
<b>Net weight</b>	35.6lbs (16kg)
