## FOCAL Chorus 726 Blackstyle

Šifra: 11362  
Kategorija proizvoda: Podnostojeći Zvučnici  
Proizvođač: Focal

**Cena: 67.080,00 rsd**

### FOCAL Chorus 726 Blackstyle

The

new Poron suspension softens the audio performance of the TNV2 tweeters. This innovation by Focal enables the perfect reproduction of the midrange and real dynamics of high frequencies. Heir to the Chorus 726 V, the Chorus 726 represents the affordable traditional high-end speaker. Entirely redesigned, the cabinet and the new grille give these speakers a sleek modern look, making them blend in perfectly with your interior.

### TV2 Tweeter

Thanks to our constant improvement policy, the performance of the new TNV2 tweeter has been increased significantly compared its predecessor. The structure of the suspension comes directly from the speakers of the reference Utopia line! Its uniform and constant physical properties ensure excellent dimensional stability, which is a fundamental criterion when the design requires extreme accuracy.

### Polyglass Cone

The Polyglass cone has been a Focal tradition for the last 30 years. Incessantly improving, it has matured today to a very high level of performance. The cellulose fibre cone offers renowned lightness and damping characteristics, but our special surface treatment of silica micro-balls gives the cone a huge increase in rigidity for a negligible increase in mass. The definition and dynamic capacity of this cone, when combined with a very powerful magnet (another Focal tradition), generates a very fine reproduction, with an exceptionally rich midrange.

### Chorus Design

An elaborate and intricate cabinet design requires true expertise. Constructed from MDF, up to 25mm thick, with internal reinforcement fitted in the cable duct, nonparallel side panels... All of this expertise is the result of over 30 years experience.

Type	3-way bass-reflex b
Speaker drivers	2 x 6 1/2" (16.5cm) (25mm) Al/Mg TNV2
Frequency response (+/- 3dB)	49Hz - 28kHz
Low frequency point - 6dB	39Hz
Sensitivity (2.83V/1m)	91.5dB
Nominal impedance	8 Ohms
Minimum impedance	2.9 Ohms
Recommended amplifier power	40 - 250W
Crossover frequency	300Hz/3000Hz
Dimensions (HxWxD)	989 x 222 x 345mm
Weight	51.7 lbs (23.5kg)

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
