The earpads are also heat-sensitive in order to keep your ears cool during extended use. The built-in rechargeable battery gives you up to 20 hours of playback. With the addition of dual built-in mics, the Listen headphones also give you the ability to conduct wireless hands-free calling when paired with a smartphone.

Clear Voice Capture

The Listen headphones utilize Clear Voice Capture technology, which uses dual built-in microphones to help provide clear conversations.

Go Wired or Wireless

The Listen headphones includes a 3.5mm detachable audio cable. This allows you to use them on devices that are not wireless for increased compatibility and versatility.
