highlight the smallest detail. It has a colour temperature of around 3200k.

The ANSI code for the CP62 is EXE.

GENERAL ELECTRIC GE PAR64 CP62 EXE

1000W 240V PAR64 CP62

The CP62 lamp is rated at 1000w and has a PAR64 (64" or 180mm) shape along with a GX16d base.

The CP62 lamp is a Medium Flood (MFL) lamp with it's beam angle being around 23 degrees. This makes the lamp good for many applications, including Par64 Cans, Theatre, Rock and Roll and Retail, due to the precise beam being able to
