HD-ULTRA / 3 metra

Ultra flat HDMI cable

Tin-plated Nanotech® conductors, ultra-flat cable, double shielding, metal plugs, gold contacts, many available lengths, 1 male HDMI plug / 1 male HDMI plug. Excellent performance in Full HD and in [3D](#). Connection optimized by the spacing of data channels, which are no longer concentric, but side by side. Very flexible flat cable and very compact plugs facilitate connections to flat screens, without any compromise on quality.
