

## HERCULES DJCONTROL COMPACT

Šifra: 12215

Kategorija proizvoda: 2 Kanala

Proizvođač: Hercules

Cena: **9.000,00** rsd.

## DESCRIPTION

### The most complete and portable DJ controller!

THE "On the go" DJ companion:

Compact: 13,4 x 3,9" / 34 x 10 cm

Fits very easily into a bag or laptop shoulder bag

USB bus-powered (detachable USB cable supplied)

Weight: < 1.23 lbs / 0.56 kg

### Compact. Complete. Charismatic.

A 16:9th design, ideal for transporting without making concessions on the features!

Ergonomics that adapt perfectly to your laptop

Concentrated Djing: all the essential functionality in an ultra-portable design

Two-deck DJ controller

2 jog wheels + 2.95" (7.5 cm)

4 modes (Loop, Fx, Samples, Cue) per deck

**4 pads** per deck

2 equalization potentiometers per deck

1 volume potentiometer per deck

1.77" (45 mm) crossfader

10 control buttons including a SHIFT command allowing you to double all the pad controls.

### The essentials of the mix at your fingertips

Scratch as naturally as with a vinyl record with the help of the jog wheels

The jog wheels also control the Pitch and navigation within the tracks

Highly intuitive features to create Loops, add effects and launch samples thanks to the unrivalled feel of the pads!
