Artis Overview

Featuring our stunning NEW German Grand, Artis' astonishing sound quality, dependability and ease-of-use help you take your performance to the next level!

SOUNDS

Brand NEW German 9' Grand Piano

A game-changer. 32 killer programs. Amazing tone, realism, and expression FAR beyond what you thought possible in a stage piano. Perfectly matched with a weighted Fatar TP-100 action.

KB3 ToneReal™ Organs

Modeled after classic Hammond, Vox and Farfisa organs. Featuring all the controls you want and more, including 9 realistic drawbars.

256 Factory Programs

From classic to cutting-edge. The best sounds from our PC3K and KORE 64 collections plus our NEW piano, Vintage Electric Pianos, Clavinets, Synthesizers, rich and realistic String Sections and Orchestras, Guitars, Percussion and much more.

256 Factory Multis

Layered, sublime, fearless and funky - our Multis will have your inspiration up and running in no time! Up to 4 zones, split/layer, extensive MIDI control, individual zone volume and mute control.

Powerful FX Engine

Award-winning Reverbs, Delays, Choruses, Flangers, Phasers, Distortions, Rotary Amplifiers, Compressors and more.
