MARANTZ NR1609 Black 7.2 Slimline AV Receiver

Šifra: 13122
Kategorija prozivoda: AV Pojačala i Risiveri
Proizvođač: Marantz

Cena: **59.880,00** rsd

ONKYO R N855 B
Image not found or type unknown

Featuring a high-current discrete power amplifier section, you get exceptional sound and the latest formats for movies and music with identical power on all seven channels (90W per channel). The slim profile is half the height of a traditional AVR, while delivering the dynamic sound quality that defines Marantz excellence.

Built-in Bluetooth, Wi-Fi, & AirPlay

Image not found or type unknown

The NR1609 is equipped with an advanced dual antenna system lets you stream the most popular music services via Bluetooth, AirPlay or the HEOS app. Listen to your playlists on Spotify, TuneIn, Deezer and more.

Amazon Alexa
Image not found or type unknown

Amazon Alexa
Enjoy hands-free control with Amazon Alexa and your voice. Adjust the volume, skip to the next track, switch inputs for your different media players and more "Just Ask." Download the HEOS Home Entertainment Skill to enable Amazon Alexa voice commands for your NR1609, HEOS devices and other select Marantz products.

Dolby Atmos
Image not found or type unknown

Dolby Atmos
Feel every dimension in Dolby Atmos. Enjoy a 5.1 surround sound speaker system and two additional overhead speakers or two Dolby Atmos elevation speakers for the ultimate home theater experience including Dolby Surround

upmixer for legacy content.
DTS:X

Image not found or type unknown

DTS:X
DTS:X immersive audio formatting places sound where it would naturally occur in space, creating life-like, multi-dimensional audio. The included spatial remapping engine of DTS Neural:X™ offers improved immersion and heightened realism in all of your favourite movies.
HEOS Streaming

Image not found or type unknown

HEOS Streaming
Built-in HEOS technology lets you enjoy your favourite music in any room of your home for a wireless, whole-home audio experience. Play the same song in every room or select a different song for each connected room the choice is yours. Enjoy music from Spotify, TuneIn, Sound Cloud, Tidal, Napster, Deezer or your local music file libraries. With additional HEOS components, like HEOS-capable speakers, play all your music in one room or many.
Audyssey MultEQ

Image not found or type unknown

Audyssey MultEQ
Optimize your audio experience with Audyssey MultEQ, MultEQ Editor app, Dynamic Volume and Dynamic EQ for a seamless setup of your listening environment. With the supplied measurement microphone, MultEQ analyzes each speaker's output (including the subwoofer) and generates precision digital filters that optimize each

channel for the correct frequency and time domain response.
High Resolution Audio

Image not found or type unknown

High Resolution Audio
Ability to decode high-resolution audio ALAC, FLAC and WAV lossless files up to 24-bit/192-kHz, as well as DSD 2.8MHz and 5.6MHz tracks (the audiophile format of SACD) lets you enjoy music exactly as the artist intended. Listen to your music via the front panel USB port or over network sources.

Latest HDMI Connectivity

Image not found or type unknown

Includes eight HDMI inputs and an ARC output with one HDMI input on the front panel for quick connection each one supporting HDCP 2.2, 4K Ultra HD 60Hz video, 4:4:4 Pure Colour sub-sampling, Dolby Vision, HLG, High Dynamic Range (HDR) and BT.2020 pass-through.

Multi-source / Multi-room

Image not found or type unknown

Multi-source / Multi-room
Enjoy 5.2 channel surround sound in your home theatre and simultaneously play stereo sound from another source in a separate room. Simply connect a pair of speakers to the multi-room amplified outputs or hook up an additional stereo amp and speakers to the Zone 2 pre-outs.
Smart TV Connectivity

Image not found or type unknown

Smart TV Connectivity
Easily control the receiver with your Smart TV remote via the HDMI CEC functionality associated with your Smart TV. Simply set "HDMI Control" to ON in your receiver, then set "Smart Menu" to ON and begin controlling

the NR1609 with your TV remote.
Marantz AVR Remote

Image not found or type unknown

Marantz AVR Remote
The Marantz 2016 AVR Remote app for iOS and Android gives you complete control over the latest Marantz network AV receivers. Use it to power on/off, adjust volume, input and settings, or switch instantly to the HEOS app.
Smart Select Functions

Image not found or type unknown

Smart Select Functions
Four Smart Select function buttons on the included remote control store your preferred setup including input, volume and Audyssey configuration for particular sources. With the push of a button, the receiver perfectly configures for any source, from Blu-ray to TV set-top box, to your favourite Internet radio station and more.
60+ Years Heritage

Image not found or type unknown

60+ Years Heritage
Founded in 1953, Marantz has a long and rich history of designing audio components embraced by music lovers and critical listeners around the world. Because Music Matters, the NR1609 carries on our long tradition of delivering a best-in-class listening experience for music and cinema.
Dual Subwoofer Outputs

Image not found or type unknown

Dual Subwoofer Outputs
Supports dual subwoofers for even, low-frequency

bass response within your
listening environment.
Enjoy accurate bass with
no audible peaks or dips
no matter where you
place your subwoofer.
