

MARTIN WISMAN MTX 8 RC WHITE

Šifra: 12053

Kategorija proizvoda: Oprema za instalacije

Proizvođač: Martin Wisman

Cena: 8.280,00 rsd

The MTX 8 RC WHITE remote control module is connected MTX 808 through universal industrial standard CAT 5 for each eight zone's volume adjustment at a remote and different location from the control center.

- * Each controller provides eight RJ45 ports for the remote control module.
- * The CAT 5 wiring is not only featured of cost-effective, convenient layout, but also integration of RS 485 communication, audio transmission and DC 24V power supply together.
- * Zone LED indicator with up/down buttons.
- * Volume control is provided for overall output level control.
- * DC 24V power supply from controller, low power consumption 5W.
- * Extra DC 24V power supply is needed when communication distance is more than 50 meters.
- * Analog to digital conversion working principle to adjust controller's volume.
- * Metal mounting box is supplied.

Serial Communication Speed	4800bps
Serial Communication Distance	Maximum 1Km
Communication Port	RJ45
Communication Protocol	Rs485
Controls	Volume control
Power Supply	DC 24V
Power Consumption	5W
Weight	0.08Kg
Dimensions	86x48x86mm
