MXL MM-160

Šifra: 10380
Kategorija prozivoda: Lavalier i Ostali Mikrofoni
Proizvođač: MXL

Cena: 7.080,00 rsd

Great for the Field
The mic is easily hidden, but it offers an omnidirectional polar pattern that ensures you'll get an even sound at any angle of address. This makes it great for run-and-gun sound pickup.
Handy Includes
The included windscreen protects against plosives. The clip makes mounting the mic a cinch. The cable features a splitter with a 3.5mm headphone jack, so you can monitor your audio as you record. When you're done, store everything in the included carrying case.
Easy to Use
The mic offers no controls and operates in the analog domain. This makes operation a breeze: simply plug it in and play. There's no software to install to make it compatible with your phone.

MXL MM160 Specs
Microphone
Primary Applications Recording to Mobile Device
Form Factor Lavalier
Intended Sound Sources Vocals
Sound Field Mono
Capsule Electret Condenser
Polar Pattern Omnidirectional
Pad None
