Cena: **119.880,00** rsd

THE ARCADIA ACRYLIC SERIES HAS STUNNING LOOKS AND A POWERHOUSE SOUND. TAKING INSPIRATION FROM THE AWARD WINNING ORIGINALS SERIES, ARCADIA ACRYLIC KITS FEATURE SEAMLESS SHELLS FOR BETTER SHELL STRENGTH AND RESONANCE.

Taking inspiration from Natal's Originals Series, Arcadia Acrylic kits feature seamless shells for better shell strength and resonance. With 6mm tom and snare shells, and 7mm bass drum shell, Arcadia Acrylic's sonic attack and visual impact make it particularly suited to live performance.

Featuring a Natal sun logo embossed lug, these British designed lugs are based on the Originals Series, and are mounted on rubber plinths for maximum resonance. Arcadia Acrylic also features 2mm triple flanged chrome hoops for a more open and resonant sound.

Bass drum claws have rubber gaskets for more even tension and to help protect the hoop, and shell mounted telescopic bass drum legs allow you to position the bass drum securely.

The Natal Arcadia Acrylic Series combines Natal's quality and craftsmanship with stunning looks and powerhouse sound.

Tom: 12x8, Floor Tom: 16x14, Bass Drum:22x18
