Red Wave headphones the clear choice of professional DJs.

Red Wave headphones are designed specifically for the professional DJ. They employ a comfortable, closed-cup design for great isolation from outside noise. Red Wave's large, 50 mm neodymium drivers produce clean, powerful output. Designed by DJs for DJs, these headphones have a convenient, swiveling design on one cup so they're easy to wear one-sided between the ear and shoulder. The ear cups also have breathable protein-leather for DJs to remain comfortable during prolonged use.

Red Wave's sleek, modern design ensure they look as good as they sound. Red Wave headphones also come with a gold-plated 1/8" adapter to quickly plug into MP3 players, and carrying case for quick and convenient transport.
