Eighteen Sound Recone Kit for 18LW1400 8Ohm. This is what you need to repair a blown driver. You will need appropriate adhesives and product knowledge in order to fit this replacement part correctly. We do not provide a consultancy service or fitting advice for this product - this is a replacement part intended for professional use only.

Technical skills are required for fitting, do not try this if you don't know what you are doing! Recone kits are classed as consumables and we are unable to accept returns on these items if the recone kit has been fully or partly assembled.
