Pilot 150 - ROBO (ROTO) GLAVA

The first unit in our family of moving head luminaires, the Pilot 150 is very popular. With its elegant looks and excellent performance it is suitable for so many different applications, from discotheques to department stores, in fact it fits in well just about anywhere you want it to. The units are available in two colours with black as standard but if silver fits your needs better simply specify when ordering.
