Solo 250 - ROBO (ROTO) GLAVA

Image not found or type unknown

cena sa lampom!

The Solo 250 features nine colours, seven interchangeable rotating gobos, an independent shutter for strobe effects, a rotating prism and remote focus. It has stand-alone and master/slave operating modes as well as the conventional DMX control making it suitable for a wide variety of applications. The Solo 250 has just the right combination of the functions you need to create impressive lighting effects all housed in a beautifully designed body and being part of our economical Solo range it is great value.
