FREEPASS8USB is an all-in-one sound system combining in an ultra-portable, easy-to-use package everything musicians and other PA users need for playing: a full-featured mixer, a versatile MP3 player, a powerful CLASS D amplifier, two full-range speakers and high quality connection cables. FREEPASS8USB is a complete PA system that, even if compact in size, quick to setup and simple to use, is packed with a full set of features and delivers an unexpected sound quality for this kind of systems. The 8-channel, 2x250W powered mixer fits perfectly in one of the two speakers and it can be used as it is or detached with a simple operation. The second speaker includes a convenient and large compartment that can contain all the connection cables and other accessories. Two high-quality PROEL speaker cables with ultra-durable 1/4" metal jack connectors are also provided. The two speakers, hosted in lightweight PP cabinets, feature a horn-loaded 1.35" VC compression driver and a 8" woofer, able to provide a clean and powerful full-range sound with high SPL. A large handle on top of the cabinet and a pole holder on the bottom make transport and installation quick and easy. Thanks to its versatility and portability, FREEPASS8USB can be used in a variety of applications, such as live gigs for singers or small bands, education and sporting events, seminars and presentations.
