QED Profile eFlex High Speed w/ Ethernet HDMI 2m

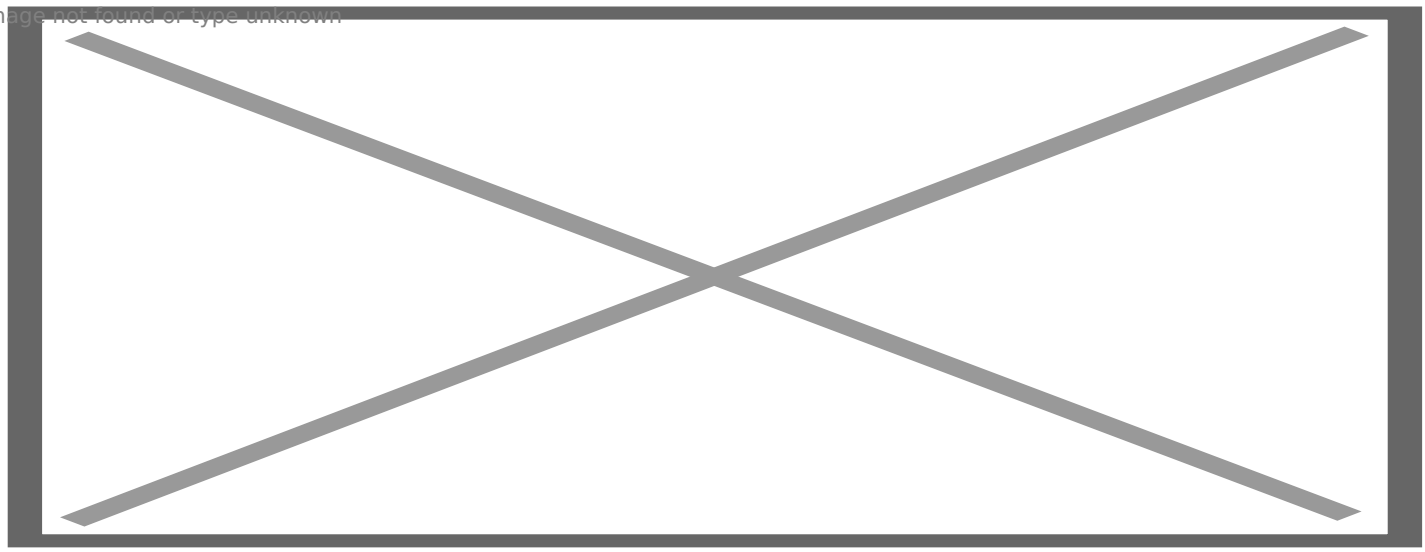

Šifra: 12590
Kategorija prozivoda: Hi-Fi Digitalni Kablovi
Proizvođač: QED

Cena: 3.480,00 rsd

This brilliant HDMI interconnect retains all the features which made the original such a popular choice. Compact plug housings mean there aren't many devices you can't use this with and ultra-comfortable with wafer-thin flat screen TVs mounted on walls. As is the QED way, the core of the cable contains pleasingly high quality OFC conductors and is designed to really minimise jitter and exceed the requirements of the latest HDMI specification.
Profile e-Flex HDMI Features
99.999% Oxygen Free Copper conductors
Flexible geometry
Compact plug housings
Audio Return Channel
Authorised Test Centre certified High Speed HDMI Cable with Ethernet
Pixel Clock 340MHz, Data Rate 10.2Gb/s
Independently tested to 13.5Gb/s* (*QED laboratory tested 1m length using pseudo random bit pattern at the speed indicated)
