

QED Profile eFlex High Speed w/ Ethernet HDMI 2m

Šifra: 12590
Kategorija proizvoda: Hi-Fi Digitalni Kablovi
Proizvođač: QED

Cena: 3.480,00 rsd

This brilliant HDMI interconnect retains all the features which made the original such a popular choice. Compact plug housings mean there aren't many devices you can't use this with and ultra-comfortable with wafer-thin flat screen TVs mounted on walls. As is the QED way, the core of the cable contains pleasingly high quality OFC conductors and is designed to really minimise jitter and exceed the requirements of the latest HDMI specification.

Profile e-Flex HDMI Features

99.999% Oxygen Free Copper conductors

Flexible geometry

Compact plug housings

Audio Return Channel

Authorised Test Centre certified High Speed HDMI Cable with Ethernet

Pixel Clock 340MHz, Data Rate 10.2Gb/s

Independently tested to 13.5Gb/s* (*QED laboratory tested 1m length using pseudo random bit pattern at the speed indicated)
