

## INVISION Raylight PAR 64 GY-9.5 Socket

---

Šifra: 02728  
Kategorija proizvoda: Parke bez sijalice  
Proizvođač: INVISION

**Cena: 200,00 rsd**

Immediately and without changing the wiring, exchangeable by flanged on pin socket (GX 16) against a PAR-56 lamp

For all GY-9.5 lamps, thus, many different light performances are selectable

Neat, precisely focused light output

Cost savings, as only the burner must be replaced at a lamp change

Longlife lamp types (up to 2.000 h) also save time and money

Low weight for reduced traverse charge
