

## Sennheiser e835S

Šifra: 01226

Kategorija proizvoda: Vokalni Mikrofoni

Proizvođač: Sennheiser

**Cena: 11.880,00 rsd**

A hum-compensating coil aids in keeping extraneous electrical noise to a minimum while the durable, metal construction delivers tour-worthy toughness. A silent on/off switch is provided for convenient muting of the mic between speeches or performances. The XLR 3-pin output ensures compatibility with most microphone preamps and mixer inputs. The e835S ships with a mic clip and a protective pouch.

Cardioid polar pattern provides enhanced off-axis rejection and high gain before feedback  
40 Hz to 16 kHz frequency response with tight lows and present treble  
Clear reproduction with strong presence cuts through high onstage levels  
Sound remains clear and natural even at varying distances from the capsule  
Designed to isolate handling noise  
Rugged metal construction for tour-worthy durability  
XLR 3-pin connector for compatibility with most microphone preamps  
Silent on/off switch allows convenient muting between periods of use

### **Sennheiser E835-S Specs**

Microphone

Form Factor Handheld

Sound Field Mono

Operating Principle Pressure Gradient

Capsule Dynamic

Polar Pattern Cardioid

Circuitry Solid-State

Pad None

High-Pass Filter None

Performance

Frequency Range 40 Hz to 16 kHz

Impedance 350 Ohms

Load Impedance 1000 Ohms

Sensitivity 2.7 mV/Pa at 1 kHz

Connectivity

Output Connectors (Analog) 1 x XLR 3-Pin

Physical

Mounting Mic Clip/Stand Adapter (Included)

Included Case Zipper Pouch

Included Filters None

Dimensions  $\varnothing$ : 1.89 x L: 7.09" /  $\varnothing$ : 48 x L: 180 mm
